

**The Eastgate Theatre has carried out a Covid-secure risk assessment for the whole building, and needs your help to ensure that all participation activities are carried out as safely as possible. You are therefore requested to:**

- Book your place at least 24 hours in advance – class capacity will be limited while restrictions remain in place
- Arrive wearing the clothes you need for the class
- Go straight to the designated space – children go first to the studio for classes either in the studio or in the auditorium; adults use the dressing room corridor & stage entrance to access the auditorium. Please wear a face covering while you pass through the foyer
- Leave your coat / shoes / bag on the chairs provided in the participation space
- Move to an individual activity area as directed by the tutor
- Check that the tutor has confirmed your name in the class register, and listen to any additional advice that may be given before the class starts
- ENJOY THE CLASS
- If you need to use the toilet before or after class, please access the backstage facilities – which will be cleaned after each class
- At the end of the class leave the auditorium either by the main back stairs and leave the studio by the main door. Please wear a face covering again when you exit via the foyer.
- Anyone bringing a child to an activity should arrange to return no more than five minutes before the class ends in order to pick them up, and will be advised where they should wait. Alternatively they may stay in the venue as a café customer, if a table is available at that time.
- Please DO NOT attend if you or anyone in your household has any of the symptoms associated with Covid-19 (persistent cough, shortness of breath, high temperature, loss of taste or smell)

**Thank you for your help, and for continuing to support the Eastgate Theatre**
